LAST SERMON OF REV. LYNN

ELOQUENT DIVINE SPEAKS ON "SEEK AND YE SHALL FIND" AT UNIVERSALIST CHURCH.

Rev. C. B. Lynn delivered his last sermon for the summer at the Universalist church on Sunday morning. He will depart for the north very shortly to remain until October, when he will resume his work in this city. His subject was "Seek and Ye Shall Find," and among other things he said:

The teaching of the text is profoundly significant. Personal initiative is the lesson which is emphasized. Herein we have a statement of a fundamental condition of progress. Let us consider a phase of personal initiative which is uniformly overlooked, viz: Meditation.

We come to the church for worship; for instruction in doctrine, for meditation. In the rush of our twentieth century life we are prone to forget the ministry of meditation. Let us look within. Then the outward look and the upward look will take on new meanings.

The desire for meditation is normal in man. Socrates and Mahatma Aurobindo sought strength by means of soul communion. Our divine Lord points the way to the same method. In the quiet hour we listen to the still small voice. A possible—may, a probable result—of such a ministry is the realization of community of life with God.

Let us pledge ourselves in the face of the crass materialism, the heartless secularism and the brutal cynicism of the present, to utilize the ministry of meditation more than we have ever done before.

At the close of the service the congregation unanimously voted to invite Mr. Lynn to resume his labors in this city October next.

ABERCROMBIE GETS COMMISSION

AND WILL ASSUME CHARGE OF HARBOR MASTER'S OFFICE ON JUNE 17TH.

J. Ed. Abercrombie, whose appointment as harbor master for the port of Pensacola was recently confirmed by the senate, has received his commission, signed by Governor Broward. It arrived Saturday night, although it was not expected at so early a date.

Mr. Abercrombie will assume charge of his duties on June 17th, relieving David Sheehan, the present harbor master, who has held the position for a number of years. Mr. Sheehan, who was not an applicant at the recent primary election, has the best wishes of his friends.

Although it has not been announced publicly, it is probable that there will be one or two changes in the deputies now employed. Mr. Abercrombie, however, has not stated what he will do in the case of his deputies.

Thos. F. Britton, who was to have assumed the office of timber custodian two weeks ago, has not as yet received his commission. He made the required bond some time since and it was forwarded to Tallahassee, but as yet his commission has not been received, and Joseph Brown is still holding the office, and will continue to do so until he is relieved by Mr. Britton.

So Soothing

Its Influence Has Been Felt By So Many Pensacola People.

The soothing influence of relief after suffering from itching Piles, From Eczema or any itchininess of the skin, Makes one feel grateful for the remedy.

Doan's Ointment has soothed hundreds.

Here's what one Pensacola citizen says:

H. E. Powell, machinist by trade, residing on West Cervantes street, says: "I was a sufferer from itching piles for more than seven years, and nothing I could get seemed to help me. I suffered both day and night, and it was impossible for me to get to sleep at night on account of the terrible suffering. When I read about Doan's Ointment I thought I would try it, and procured a box at Sidney Kahn's drug store, No. 9 South Palafox street. It cured me completely. I cannot praise it highly enough, and have recommended it to more than a score of friends during the past three months, and I know of one friend who used it for eczema on his hands and he has since told me that it cured him promptly and effectively. I unhesitatingly recommend a trial of Doan's Ointment to anyone suffering from any itching skin disease. I feel confident that they will not be disappointed in the results obtained."

There was a general buying, and the market, after working up a point or two from the opening, turned irregular and less active, with the net gain cut down to a matter of 7 to 8 points.

SECOND REPORT ON STATE ASYLUM

Following is the report of the second legislative committee on state asylum:

"Hon. Albert W. Gilchrist, Speaker of the House of Representatives:

"Sir—Your committee appointed under House Resolution Nos. 75 and 78, to inquire into certain matters in the report of the Insane Asylum, beg to report as follows:

"From the large mass of evidence submitted to us, we do not find that there has been any misappropriation of the state's funds by any one connected with the Board of State Institutions.

"Regarding the charge of vice and immorality, we have heard no evidence that could warrant the charge, and feel that there has not been any more suspicion than would exist in any other community of the same size. The young ladies employed there, nearly all of whom have been employed from one to four years, appear to the committee as intelligent and circumspect in deportment.

"Your committee recommends that the evidence submitted herewith be spread upon The Journal, and two thousand copies be printed and copies thereof be mailed to each member of the house of representatives and the senate, and that the secretary of state be requested to distribute the remainder among the people of the state as fully as possible.

"We also recommend that the original and duplicate evidence taken by this committee be filed in the comptroller's office.

AVERY IS FOR PRIMARY TICKET

The following letter from Hon. J. Campbell Avery, who has just returned from Tallahassee, where he made such a fine record in the lower house of the legislature, is self explanatory:

Mr. Avery's Letter.

Mr. Frank L. Mayes, Editor,

City.

Dear Mr. Mayes:—I have just learned that it is reported in town that I will not vote in the election to be held tomorrow, and that, if I do vote, it will be against the primary ticket. The report is false.

I do not think that my actions while representing Escambia county in the legislature can be construed as antagonistic to the primary system. I intend to vote the white primary ticket.

Very truly yours,

J. CAMPBELL AVERY, JR.

Cuban Diarrhoea.

U. S. soldiers who served in Cuba during the Spanish war know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban diarrhoea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however, that can always be depended upon as will be seen by the following certificate from Mrs. Minnie Jacobs of Houston, Texas: "I hereby certify that Chamberlain's Colic, Cholera and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." For sale by all druggists.
